

Our Mission

-To compliment and supplement the overall educational program at Saunemin Grade School.

-To provide opportunity for learning experiences for all student-athletes and give individuals the opportunity to share in group success.

-To provide opportunities for student-athletes in activities that help develop unity by encouraging a common quest for all students, alumni, faculty/staff, and friends of Saunemin Grade School.

Our Philosophy

-To recognize the dignity and worth of every individual who comes in contact with the athletic department.

-To place the best possible product on the field of play to represent our school and community at the discretion of the coaching staff, regardless of age, class, race, gender, creed, or thoughts of others.

-To commit to the ongoing development of all student-athletes during their grade school years, and beyond.

-To believe in providing opportunities to develop one's ability both in the classroom and on the playing field.

-To demonstrate sportsmanship through the ideals of fairness, civility, honesty, unselfishness, respect and responsibility in the competitive world of inter-scholastic athletics.
